Campbell and Union Avenues

TRAFFIC SIGNAL CONTRACTS LET

A contract for installing a traffic signal system including lights and the channelization of four traffic lanes at the Campbell avenue and the Union Avenue intersections with the San Jose-Los Gatos road was let by the State Division of Highways, Department of Public Works to the Leo Piazza Company, general contractors of San Jose on $70,499 bid. The electrical bid was sublet.

Plans call for four stop signals at Campbell avenue and widening of Los Gatos-San Jose Road to four lanes for distances of 450 feet each side of the intersection. There will be a narrowing of the road at the north limits, opening again to four lanes 450 feet south of Hamilton avenue interection. State report no provision set up for continuing the width through to Hamilton avenue and indicating the condition will be relieved completely when oute 5 freeway is ready for use.

The department also awarded contract to Lew Jones Construction Company and Piazza Paving Co. for conversion of Bayshore Highway to four-lane divided freeway between Rosa Street and E. Santa Clara avenue.

Yesterday at a meeting of Division of Highways directors in San Francisco, tentative plans for relocating the Sunnyvale-Saratoga Road were reviewed. Karl Belser, county planning commission director who attended the meeting said the plan calls for moving the road westward so that it joins Bayshore highway near the Moffett Field intersection and intersecting El Camino Real at a point between Mountain View and Sunnyvale and joining the proposed extension of Junipera Serra boulevard west of Stelling Road between Cupertino and Los Altos and proceeding along the Southern Pacific right of way toward Vasona junction.

Highway officials expressed concern over the present load on the two-lane Saratoga-Sunnyvale road in a dead-end at El Camino Real in Sunnyvale.

Whatever route the state selects, several years will elapse before any construction work is done and plan lines will have to be set. In the meantime temporary relief will have to be given the present road. If and when the new Highway 9 is completed as proposed, the present Saratoga-Sunnyvale road will likely revert back to the County road system, according to Belser.

New Deadlines For Next Issue Of Campbell Press

Deadlines are being set ahead for the next issue of the Campbell Press because of the Thanksgiving holiday on Thursday and because the Press is to carry the complete announcement of the opening Tuesday of Lee Bros. Market on Winchester Road, first unit of the Winchester Shopping Center. All advertising copy, legal, classified and display for the Press and Shopping Guide should be in by noon Saturday.

To be dated November 24, the Press will be issued on Monday in order to assure delivery with these timely advertising messages.

Watch for some important announcements in this issue.

REESE CHARGES FALSE ARREST

Forrest Reese, school bus driver and a resident of 40-A East Rincon Avenue said last night he had been arrested at San Jose for allegedly having parked a motorcycle at 279 South First street last March fifth, and that he has twice notified San Jose authorities that he does not now and never has owned a motorcycle and that he has not ridden one since 1921.

In a letter to Anthony Nave at the Hall of Justice on April 29 and copy to Chief Blackmore stating he had received a warrant citing violation for parking his motorcycle and that he had talked with three different girls at the office that it must be in error as he did not own or ride a motorcycle.

"In spite of this" Reese said last night, "A warrant was served yesterday on me by Sgt. Ratchford and I was placed under arrest and booked at the sheriff's office to appear in court at 2 P. M. November 22."

Reese said last night the motorcycle for which the citation was issued was registered to someone at Moffett Field.

Girl Scout Leader Courses Now Held At High School

Girl Scout leadership training course at Campbell Union High School, had its fourth and last session last Monday evening, when Mrs. Robert Groch, program chairman, showed the film "Girl Scout Leader" and provided the narration. The remainder of the course will be given in two outdoor sessions concerned with training new leaders in outdoor scouting activities.

Campbell women participating in the course were: Mrs. Walter Gipe, recording secretary of the Girl Scout Council; Mrs. Ray Brown, day camp director, member of the board of directors of the Girl Scout Council and volunteer trainer at the course; and Mrs. R. D. Trainor, member of the Girl Scout Council board of directors, district chairman and Campbell director.

Among Campbell women taking the training course were Mrs. K. W. Johnson, Mrs. P. L. Johnson, Mrs. E. W. Johansen, Mrs. Paul Christiansen, Mrs. W. V. Cloyd, Mrs. E. Jerry Collins, Mrs. Wm. Casey, Mrs. D. B. Kinzie, Mrs. Evelyn Knowles, Mrs. John Lamb, Mrs. Robert Stewart, Mrs. Cory Tackitt, Mrs. F. McDonald, Mrs. C. S. Schneider, Mrs. Francis Pisano, and Mrs. Julia Warda.

COMES TO SAN JOSE

Guide-O-Valve Company, operated by Mr. Albert Gurries, has located their firm at 814 Park Avenue, San Jose. Company formerly established at Redwood City.

KAISER BUYS AT NILES

Henry J. Kaiser Company holds a 60 day option on 550 acre ranch near Niles. Property is bisected by the Western Pacific and Southern Pacific Railroads but Kaiser spokesman declined to outline the firms' plans. Property is owned by the Stivers' family.

STEPS TAKEN TO CONDEMN SCHOOL SITE

Campbell Elementary School District trustees met last Thursday and approved commencement of condemnation proceedings for a 13-acre site on Fruitdale Avenue between San Jose-Los Gatos Road and Meridian, where a 10-room school will be constructed to relieve overcrowded conditions in Cypress School. The school, unnamed as yet, will consist of six grades, with possible future development to eight grades. Preliminary plans for type of construction are now being studied, but to date, no decision has been reached.

Additions to Dover, Cypress and Quito schools are now under construction and will probably be completed around Christmas. These conditions will only partly relieve crowded conditions in these schools.

Plans are underway to add eight new rooms to the Monroe school, including a shop and home economics department, which is expected to be completed by next September.

Plans are also being formulated to construct portable classrooms to relieve crowded conditions in other schools. Construction of three new schools is now being considered to relieve crowded Cypress and Dover schools, but to date no definite location has been determined.

THANKSGIVING DAY SERVICES AT CHURCH IN CAMBRIAN PARK

Rev. Sargent Wright, pastor of the Cambrian Park Methodist Church invites the community to share in a Thanksgiving community service at the church on Wednesday evening, November 23, 7:30 P. M. The Senior Choir will present special music. The service is planned as a family-type service and children are urged to attend.

LATE METHODS SHOWN ON HOW TO PRUNE

A field meeting to demonstrate improved pruning methods was conducted Tuesday afternoon on John Tripoli orchard, McLaughline Road by Agricultural Extension Service with L. C. Barnard, Farm Advisor in charge.

Post Card Approval

WEST CAMPBELL SEWER PROJECT

Results of a postcard survey for assessment project in the southwest area of Campell conducted by the Santa Clara County Sanitation District No. 4, indicated 64 percent approval of sewer installations, it was reported Monday evening when the Sanitation District directors met at the Campbell office, 375 East Campbell avenue.

It was decided to expand the survey to include all of Cherry Lane, Catalpa Lane and El Caminito as well as the north side of Budd avenue between California Street and Winchester Road and on California Street between Cherry Lane and Budd Avenue. Expansion of the projcet, it was pointed out, would tend to decrease the over-all cost of sewer installation in all home-owners in the proposed assessment district.

The board established a policy with regard to annexed areas whereby they would be charged an annexation fee consisting of what they would have paid in taxes and for servicing the genearl obligation bond had they been in the district originally.

The sale of the remaining $400,000 of the original $1,650,000 general obligation bonds was taken up, pending a legal opinion on the proposed union with San Jose in constructing of the projected Forest Avenue sewer trunk line, in lieu of the tentative Westside trunk sewer as was originally proposed. It is expected that these bonds will be sold by January 1, 1956, according to Stephen H. Goodman, district manager.

HIGH SCHOOL WILL ASK FOR PARALLEL PARKING

In the interest of traffic safety, the Board of Trustees at the Campbell High School has recommended that the Superintendent of Schools write the City Council of Campbell requesting parallel parking on streets around Campbell High Schools. At present, off street parking is provided for all teachers and students, Hill explained.

On street parking will be only for visitors to the high school.

Forrest Reese, who has been a bus driver for the last three years, was promoted to the position of Superintendent of transportation for Campbell Union High School and will be in charge of routing buses and arrangements of all special trips by school buses. He will also have charge of all motor vehicles owned by the school district.

In other action, the board of trustees voted to join the Santa Clara County Trustees Association.

BOARD STUDIES NEW PLAN FOR WEST VALLEY HOSPITAL

Drawings and plans for a new hospital were presented last night at a directors meeting of the West Valley Hospital District.

The directors, meeting at the Los Gatos Town Hall, listened to Ralph P. Watson, Northern California manager of Medical Building Company of America, whose firm proposes to build a $500,000 hospital of 52 beds, financed by a private corporation.

William Mattenberger, chairman of the hospital district directors, presided, and reported that he had received no answer to a request sent last month to the State Division of Highways on the plans for a freeway in the area of the district's Vasona Junction hospital site.

At Meeting Tonight

PLANNERS STUDY JOB OF HOUSE NUMBERING

Plans will be before the Campbell Planning Commission this evening for architectural approval of the proposed seven shop building of E. A. and E. R. Garrison on the East side of Winchester Road north of Latimer avenue. A variance in parking requirements in C-2-S zone is applied for to provide ingress and egress.

Nestor Barrett, planning consultant is expected to have a proposal for house numberin within the city limits, taking over from where Ira Grim, the postmaster left off. Grim said the numbering by the postal department only applies in rural areas and do not necessarily apply to houses.

Planners also will hold a public hearing on the application for variance in set-back line requirements on twenty lots in Excelsior manor by the Sara-Sun Development Company in West Campbell. Another hearing is scheduled tonight on application of Dr. Glen W. Stoops for a change from R-1 to C-1-S zone of his home property at 334 North Winchester Road.

E. W. Bucknall seeks a change in zone from residential to commercial on a 200 square foot parcel on the northeast corner of Campbell avenue and San Tomas Aquino Road for a service station.

The tentative map of a subdivision for unit No. 2 of Sunnybrook Gardens will be reviewed before setting a public hearing.

The Campbell Planning commission will also review the tentative subdivision map of the Clark property on Stonehurst avenue off Dallas Drive toward McGlincey Lane for comment to the Santa Clara County Planning Commission.

SANTA CLARA TO HAVE NEW POLICE STATION

If city finances continue in good condition, the city of Santa Clara will build a new police buliding soon, according to Joseph F. Base, city manager.

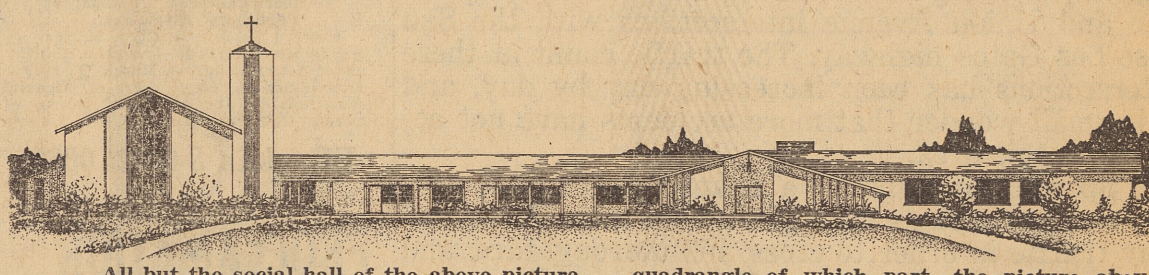
SCHOOL HEADS SURVEY NEEDS OF DISTRICT

A committee of administrative personnel from the Campbell Elementary School District has visited several schools in the Peninsula and East Bay areas to study methods used in these districts to meet expanding needs, also to survey their administrative and organization systems, in an effort to meet problems of growth in the Campbell school district.

William C. Henley, Campbell School District Superintendent, who headed the committee, stated the group was gratified to note that progress in the Campbell district compares very favorably with other districts, although a continued serach for new and better methods must be made in order to maintain and increase a high standard in educational and administrative methods.

Tentative plans have been made to study conditions in other rapidly growing districts, such as Sacramento, Los Angeles and San Diego areas.

Other members of the research committee are: Mrs. Helen Peterson, district coordinator; Mrs. Dorothy Royce, Campbell Union Grammar School principal; John Duncan, principal of Moorpark School, and C. E. Bradley, business manager of Campbell Elementary School District.



All but the social hall of the above picture will be constructed in the first unit of the new Congregational Church of Campbell according to a contract just let. Fireside room and classrooms will extend behind the front elevation. Eventually additional wings will enclose a large quadrangle of which part, the picture above will be the front, facing Campbell avenue. The Sanctuary at the left will utilize the present memorial window extended by additional panels.

CONTRACT IS LET FOR NEW CHURCH BUILDING

A contract for construction of the new Congregational Church of Campbell has been awarded the E. A. Hathaway Company with instruction to begin at once, according to Dr. Corwin Olds, pastor who said yesterday that trees have already been cleared from the site at 300 West Campbell avenue by a volunteer party preparatory to ground breaking.

Mrs. Dorothy Royce is chairman of the building committee, Werner Raab of the sub-committee on plans and construction and Gifford E. Sobey is the architect. Ministers are Corwin H. Olds and Delbert Hollenberg.

More than 125 members attended the Loyalty Dinner at the Congregational Church on Central avenue Sunday evening, when Carl Field, master of ceremonies, introduced several members of the new church building committee, who reported on progress of various phases of construction.

Committee members who spoke at the dinner were: Mrs. Dorothy Royce, chairman of the church building committee Richard Morton; Walter Gipe, chairman of the board of trustees; John Kaut, director of the fall canvass, and Myron Fairchild, canvass chairman.

Team captains introduced were: Fred Jones, Sr., Howard Lillingston and Norman Bullian.

Mrs. Carl Field was hostess for the evening, assisted by 17 ladies of the church.

Mrs. Anna Hedegard was chairman in charge of arrangements for the dinner.

Bulb Growers At Rotary Meeting

Campbell Rotarians on Monday heard of conditions in Holland as Hans Van Belle, Dutch bulb importer, reported that 2,200 square miles of farm land have been reclaimed from the Zuyder Zee. He stated that this reclaimed salt land can be farmed in one year, due in part to the heavy rainfall in that area. On the average it rains 222 days out of each year.

Oil, coal, dairy cattle and potatoes are principal products of Holland.

Van Belle also brought out that the country's high birth rate ranks second only to that of the United States.

President Cel Gerevas proclaimed December 1st as S(afe) D(riving) Day, with the suggestion that the slogan be observed the other 364 days of the year, particularly with wet winter weather close at hand. Last year's SD Day showed 15 percent reduction in deaths and 46 percent fewer injuries.

ULTRA-MODERN PHARMACY FOR SHOPPING CENTER

The most modern drug store in Santa Clara County, "Campbell Drug and Pharmacy", with the second installation on the west coast of the newest type prescription department, will open some time in February at the new Winchester shopping center next to Lee Bros. market at the corner of Latimer Avenue and Winchester Road, according to L. E. Means, co-owner.

The new type self-selective racks will display extensive lists of items in drug and hospital supplies, cosmetics, gifts, greeting cards, tobacco, candy, photo supplies and a long list of other needs. There will be two pharmacists and seven sales people to assist shoppers.

The new store, with floor space measuring 40 by 70 feet, will display complete lines of articles on 15 gondola display racks, 11 self-selective racks and 16 counter and wall cases, covering the entire floor space, Means said.

Mrs. Dan W. Clark and L. E. "Bill" Means, joint owners of the new store, will continue to operate Clark's Drug Store on Campbell and Harrison Avenues, in order to serve residents in both areas.

Stock Market Factors Told Kiwanians Here

Three factors governing the rise and fall of the stock market are the technical, the timing and the emotional attributes, it was pointed out by L. Richard Rose of Dean Witter & Co. at the noon luncheon meeting of the Campbell Kiwanis Club. Investors with stop orders to sell when a stock drops to a certain value were effected recently when President Eisenhower was reported to have sustained a heart attack, this having been an emotional factor by a great many people. When these stop orders were fulfilled, the market started to recover to its original rating.

Rose said he understood Ford Motor Company was to issue some six million shares of stock at from $60 to $70 and probably limiting to 50 to 100 shares so it will not be taken up by speculators but afford a great number of people an opportunity to invest for the first time in this industrial firm.

Oliver Jensen was program chairman. Membership pins were given to Carl Field for 22 year continuous attendance, Martin Walsh for 15 years, Joseph Dahl for 11 years and Ira Grim for 13 years continuous attendance.

James Lick Bs Down Bucs

Scoring in the first and fourth periods the Comets downed the Buc Bs 13 to 7 on the Comet turf last Thursday. Campbell's score came in the second period when Keech passed to Perry for about fifty yards to the two yard line.

CHURCH PLANNING GLITTER BAZAAR

"Christmas Glitter" will be the theme for First Methodist Church Bazaar, Thursday afternoon, from 12:30 to 5:00 p. m., December 1, when ladies of the church will display a wide variety of Christmas decorations, flowers, candles and gifts for sale.

Tea and refreshments will be served by members of the Service Club starting at 1:00 p. m.

A fish pond and white elephant booth will be set up for enjoyment of the children.

Mrs. J. M. Dahl is general chairman for the bazaar, assisted by by Circle members as follows: Mrs. Zeno Hallett, Mrs. Ralph E. Schaefle, Mrs. Nelson A. Cowdery, Mrs. Herbert Binley, Mrs. Clara Baldwin, Mrs. Charles Bradley and Mrs. Charles Stevens.

BAZAAR – NOV. 18
CONGREGATIONAL CHURCH
FROLIC

CRANK 'ER UP BUB . . . and away we go to the Main Street bazaar which the First Congregational Church is putting on tomorrow . . . attired in tog of early day, like some to be offered at the bazaar, are, left to right: Mrs. Harry Story, Mrs. Hugh Whistler, Mrs. Tina Tayolr, Frederick Byl, Jr., and Frank Cutting. Seated on the running board is Mrs. Frank Cutting.

EDITORIAL

CAMPBELL AVENUE TRAFFIC LIGHTS

It is welcome news today that contracts are being let by the California Department of Public Works for the installation of a traffic signal system and highway lighting and widening at the Campbell Avenue and Union Avenue intersections with the San Jose-Los Gatos highway. The traffic count at these intersections has been increasing day by day, and it is small wonder that more accidents have not occured in this area.

Speed limit signs have meant very little. Motorists and pedestrians have to wait for gaps in the two way traffic in order to cross this thoroughfare, and these gaps have been few. The number of cars on the highways today is but a fraction of the number expected to be on the highways in the next decade so safety factors will continue to be a major problem. Traffic signal lights regulate the traffic flow.

WE ARE ON OUR OWN NOW —

With Campbell having its own building inspector, the fees for permits issued are more than enough to pay for this cost. The job is being done locally and without undue delays.

At the meeting of the Planning Commission recently, a proposal to have applications for building permits submitted to one or more county agency, was rejected on the grounds that it would bog down the building program. It was rejected because the building inspector is familiar with requirements of these agencies so unless there is a problem pertinent to a specific department, he is qualified to pass on the application.

All this was discussed by the planners at length and it seems to be a fair decision. Campbell certainly made no mistake when setting up its own building department, since the annual building costs for which permits are issued, will run to five million or more dollars in the current year.

THANKSGIVING

With President Eisenhower out of the hospital and well on the road to complete recovery the American people have special reason to be grateful on this Thanksgiving Day.

The prayers which have gone up for his well being have surely helped him along the way. And there can be no doubt that this illness has deepened the affections of the people for this man who has enjoyed a popularity few Presidents have ever experienced.

Also on this Thanksgiving Day, as is usually the case, we have much material abundance to give thanks for. The level of national prosperity is reaching heights undreamed of not very long ago. More people are working and earning more and saving more and enjoying the good things of life than ever before

Our real progress and the measure of our thanks should not, however, be determined solely by our material wealth for this is not the essence of true substance. What we should most strive for and charish are the qualities of thought which make us better friends and neighbors and citizens. If we have been helped by others even in small ways or, more important, if we have learned to help others in making life more worthwhile and enjoyable, then indeed, we have genuine reason to give thanks.

LITERARY LICENSES

The driver ahead of you may be a BUM or he may have a high IQ, but you won't be able to tell it from his 1956 license plate.

The State Department of Motor Vehicles has adopted a system under which each license will have three letters and three numerals ranging from AAA-001 presumably to ZZZ999. You'll have to check this yourself, but it is claimed that under this system some 12 million combinations are possible—twice as many as under the present system.

To avoid confusion and low comedy remarks, the department has eliminated such letter combinations as the above mentioned BUM, ones containing I, O or Q, and others such as RAT, LUG, SAP and APE. A worthy motive. But it doesn't keep us from wondering if ZZZ is to be reserved for drivers who fall asleep at the wheel.

FAITH TO LIVE BY

During this month of November a committee of laymen of all faiths is sponsoring a Nation-wide movement to revitalize the custom of family worship in church and synagogue. The theme of the program, "Give them a faith to live by ... worship with them this week," is a moving appeal to all parents, on behalf of a generation for of whom too many distractions, too much divisiveness, has weakened the bonds of family life.

Where, if not in the family, can children find the strength, the faith, the understanding that will serve them throughout life? And how can that strength, that faith, that understanding be more beautifully and firmly fixed and enriched in the hearts of the young than in the family group at public worship?

Give them a faith to live by and they will be better able to live with the fate we bequeath them.

With some of the football coaches bound to be foot loose again soon, who knows but what the sharp ones will include in their applications - - "have own effigy, will travel".

PROCLAMATION

WHEREAS, November and December are regularly the high traffic accident months of the year, and

WHEREAS, the President of the United States, Dwight D. Eisenhower, and the Governor of the State of California, Goodwin J. Knight, have proclaimed Thursday, December 1, 1955, as S-D Day (SAFE DRIVING DAY) for the purpose of having every community in the United States free of traffic accidents for a 24-hour period, thereby saving the lives of an estimated minimum of 105 persons and saving 3,700 others from injury, and

WHEREAS, S-D Day provides an opportunity and a challenge for all individuals and organizations to join in a very special effort against a common enemy—the traffic accident toll of injury and death,

THEREFORE, I, RICHARD MORTON, MAYOR OF THE CITY OF Campbell, do hereby proclaim December 1, 1955, AS SAFE DRIVING DAY in the City of Campbell and urge every organization to lend its support by some special safety activity and every individual to accept full responsibility for whole-hearted observance of basic driving and walking rules, with the knowledge that lives can be saved, could include your own or that of a loved one.

Signed RICHARD MORTON
Mayor

Hunters Warned Of Rabies Among Wild Animals

Santa Clara County Health Department advised hunters to vaccinate their dogs against rabies before taking to the field because of a marked increase of rabies in wild life which exposes dogs to rabies risks.

W. Elwyn Turner, M. D., Director of Public Health, pointed out that quarantine measures have been invoked in many of the hunting areas in the state prohibiting free movements of dogs not vaccinated against rabies. He added that in California this year there had been 315 reported cases of rabies among animals, 166 in dogs and 138 wild animals, including two bats.

The Campbell Gambol

COMRADES Of Campbell Post 596 of the American Legion received cards last week from the Commander and the Adjutant that the ladies of the Auxiliary were giving a turkey dinner to Post members and families on Wednesday last and that this will undoubtedly be the last Post meeting prior to transferring to West Valley Post 158 at Los Gatos . . . . memberships continue to the first of the year in the California District, but local transfers to the new West Valley Post will be under way within the next two weeks . . . there are 91 members in the Campbell Post involved in the transfer . . Campbell Post was started in the Spring of 1944 and Rex Fuller was its first Commander, followed in order by Wilbur Mitchell, Al Carter, James Peer, G. W. Smith, Leo Park, Ed Lee, Glen Knowles, Harold Adams and the present Commander Harold Peck, and while the Legion Post of the two cities merge to a brand new name, there won't be another Post chartered with the name 516, because the Legion Auxiliary of Campbell is to continue indefinitely by meeting the second and fourth Wednesdays of each month, Mrs. Eileen Strickland of 191 Cherry Lane now being president of the Auxiliary . . . hopes that a site can be acquired for a Legion Hall at Vasona Junction where the West Valley Hospital was to have been built, are not completely abandoned even though hospital trustees turned down the first offer . . . Los Gatos Post sold their hall at cost there in a gesture of civic spirit, coming out with some $26,000 while Campbell Post has $8,000 plus, making a total of some $35,000 with which to build.

WEST VALLEY Not only is being set up for the legion merger, and for a hospital district embracing Campbell, Saratoga, Cambrian Park and Los Gatos, but now a West Valley recreation plan is developing, mainly enveloping the Los Gatos High, Los Gatos Elementary and Saratoga Elementary school districts, expecting to put the program in effect by January 1956 . . . Los Gatos high school district would levy a 5c tax while Los Gatos Elementary school district would levy a 3c tax and Saratoga Elementary district a 3c tax . . . the plan is somewhat like that in operation for the Campbell High School district which levies a 3c tax and functions as a recreation district within the high school district, each of the elementary districts contracting annually with the high school district to operate the program, and while the legal body is the high school board of trustees, the recreation commission really runs the program, this commission being set up with members from each school district . . . commission approves the total recreation program for the year, sets salaries, determines personnel and submits a budget to the high school board . . . the key to the success of the program being the recreation director who, in Campbell, is Kenneth Robinson who is paid half by the high school and half by the recreation district, working full time on recreation beginning in April of each year when he organizes the summer program . . . in the fall and winter, Robinson gives more time to work for the school, then in the Spring and Summer gives attention to recreation programs.

SIGHTEMS . . . the parakeet cooing on the shoulder of a patron in the Wagon Wheel restaurant at Cambrian Park Plaza all the while the meal was being served, then holding its position in the rounds of various shops . . . the ground breaking at the Winchester Shopping Center alongside the Lee Bros. Market of four more stores and a service station, including a bake shop, a women's Apparel shop, shoe store and a drug store, the latter being 2,800 square feet and leased to L. W. Means . . . . the school bus and string of cars returning with Campbell High School rooters Friday from the Lick game and no one cheering as usual while passing the Campbell Press leading us to suspect Campbell had lost the game, until we heard otherwise.

Foreign Students Church Program At Cambrian Park

Cambrian Park Methodist Church, on Cole Drive, will be hosts to nine foreign students from San Jose State at the regular monthly pot-luck dinner and fellowship at the church tomorrow evening. This activitiy has proven to be an excellent opportunity for people in the community to become acquainted through the community singing and general good time that is a part of the program.

During the evening there will be a separate activity for the children. Dinner begins at 6:30 P. M., the festivities to conclude at 9:00 P. M.

Committee in charge are: Mrs. Albert Dishon, chairman, 15467 Herring; Mrs. Thomas Kay, 15219 Herring; Mrs. Robert Huey, 14585 Berry Way, and Mrs. Wade Wilson, 4965 Adair Way. Members and friends of the church are invited to share in this evening's activities.

Rhyolite is not as common in California as are some of the other volcanic rocks.

Grape cuttings were planted at San Diego by Franciscan missionaries as early as 1781.

"I was always washed out on washdays...

and then I got an automatic dryer!"
When the wash is out on the line, do you feel like a washout yourself? Who wouldn't, with all that lugging, stooping and pinning. Then, when the clothes finally dry, there's the same routine in reverse. Wouldn't you rather toss the wash into an automatic dryer? At the twist of a dial, the dryer gets them fluffy and sweet . . . or ready for ironing. With P. G. and E.'s low rates, you can run a dryer for pennies a week. See your appliance dealer today, and get rid of washday's hardest job!

Dance Band To Be Organized At High School

A move is under way to form a Campbell High School Dance Band to be available for public appearance and made up entirely of high school musicians. Jo Weidner, social affairs chairman says one of the big problems in arranging school dances has been in finding a suitable band the music from which the student body can afford and enjoy.

In the newly formed swingster band will be George Ballentyne, drummer Pat McClenahan, Larry Tyrell and Kenneth Dillon, trombones; Don Patterson, trumpet virtuoso; Pete Parysek, piano; Dave Gupton, Ronald Miller, Arthur Hill, Bill Duncan and Jack Kelly, saxophones; Roger Merrill, bass strumper. The group meets once a week with William Perkins, director.

Everything is in readiness for the annual "Twirp's Twirl" in the girls' gymnasium tomorrow night. In this the boys receive invitations and receive vegetable corsages from the girls.

Classroom Art Is Dover Club Topic

Purposes of art in the classroom were explained to Dover Home and School Club members by Mrs. Thelma Wathen, district art consultant for the Campbell school district, at their meeting last Tuesday evening in the Hamilton School cafetroium, presided over by Peter Zavlari.

Mrs. Eldon Brewster presented her kindergarten classes in a demonstration of music and singing games, rhythmic response and a rhythm band.

Mrs. Pat McBride was chairman of the hospitality committee, assisted by her husband, Pat McBride, Mrs. Chester Akins, Mrs. Wm. Bassitt, Ross Atkinson, Mrs. Robert Zimmerman and Mrs. Neil Stone.

Dr. Richard O'Neil, San Jose peditrician, will discuss the Salk vaccine at the December meeting.

European Scene

EDITOR'S NOTE: Virginia Grattan, former San Jose State College and Campbell High Schoo student, has been in Europe since mid-August. This is the second of a series of articles of her impressions and a third will appear next week.

Gartenstrasse 12

August 23

Geneva was in no way disappointing. Its lakes and mountains were a refreshing contrast to Spain. Here again I had remarkable luck. Somehow, I fell heir to an apartment with private bath, kitchen, and radio. I spent many enjoyable hours in the bath tub, and many more hours listening to the radio. It's remarkable how soon one misses hearing music. The programs are broadcast in French, Italian, German, and a few in English, and since it is state-owned, there are no commercials. I had dinner in the evening and went window shopping. So many lovely things — books, antiques, watches, music boxes, and all, in the little shops along the cobblestoned streets. At night the cathedral is lighted as is the great fountain in the middle of the lake. Both were very beautiful and impressive on my evening's stroll. I went back to my apartment—with private bath and radio—and had a good night's sleep.

August 26

The next day I was on the train again after a morning of shopping, which netted me one music box, and several postcards. I was reluctant to leave Geneva, but I had written my friend in Frankfurt that I was coming. Once again I had an interesting traveling companion. She was a young woman from Australia who had been living in London for the last seven years, and now was a research secretary to Lord Beaverbrook, the British Journalist and author. She explained that her boss traveled about frequently between his many homes. She had been working in Monte Carlo, and was going on a short vacation in Switzerland, now. Next month she would be in the States doing research in the library at Yale. We talked about women in professions, and she agreed that a job as interesting as hers wasn't easy to find.

I had to change trains in Basel. My traveling companions from here to Frankfurt were a Danish woman, a German woman and two German girls who were sisters. Shortly after leaving Basel the custom's officer came into the compartment, checked our passports and asked if we had anything to declare. He asked the two sisters, and they said they had nothing. Then he took their suitcase down and went through it piece by piece. He found some coffee and cigarettes. The older sister broke into tears. He said they would have to pay. The older sister protested, but the younger sister paid. After this he just looked at the rest of us and went out of the compartment, without opening another suitcase.

We got to Frankfurt at 1:00 a. m. and my friend, Johanna, was waiting for me. We took a taxi home, and truly it was like coming home after such a lot of traveling.

September 12

One of the first things that happened in Frankfurt was, that I ran into Jim Downs, former Student Body President at San Jose State College. Jim and his wife, Patsy Lynfrink ? ? also a San Jose State grad, and their new son, are living in Frankfurt, while Jim is working for the Army here. Jim said there were many other Spartans here, which must be true, for on the streetcar home that very day, I met a woman who overheard me talking about San Jose State. She said that she was a SJS alumni, too, and that she had just come to Frankfurt to begin a year of teaching here.

I spent an interesting day last week at the Frankfurt Messe, which was a large fair. The fair included displays of jewelry, furniture, clothing and sports equipment to mention a few catagories, as well as special displays from different countries such as Italy, Spain, Ireland, Yugoslavia and others. The United States was not represented. I was impressed with the lack of spectacular displays, which our fairs usually have in some degree, and with a complete absence of "in-the-future" items, which is perhaps the most interesting part of a fair. Many of the items seemed outdated. The display of the complete kitchen looked like something from pre-war times — painted, wooden, sliding-door, cabinets; small, gas-burning stove; and square, white refrigerator. In contrast to this plainness was the beautifully designed jewelry and pottery at the Italian House. The Spanish House attracted many with its free wine. The Irish House displayed woolen goods and dairy products, and the Yugoslavian House had many handmade articles on display. Next month, the International Automobile Fair will be held in Frankfurt, and this should prove quite interesting.

Frankfurt, itself, is a large industrial city. It was severely damaged during the war, and many ruins are still standing, as in many cities throughout Europe, as a visual and shocking testament of the horror and futility of war. Reconstruction is being accomplished at a great rate, however, and many new buildings are springing up throughout the city. The buildings here are usually of plastered brick with tile roofs, since wood is expensive in this area. The streets, likewise, are made of stone—square blocks of stone set by hand—which makes them practically everlasting. The Main river runs through Frankfurt, adding both to the city's beauty and to its commerce. Parks and tree-lined boulevards line the river. Historically the city dates back to the time of the Romans, and is the birth place of the German poet, Goethe.

September 13

Yesterday evening as I was taking the street car home, I had a surprise. The streetcars are usually two cars joined together. I was standing in the front of the second car, peering out of the window, when I noticed a face peering in from the first car which resembled a fellow I used to go to San Jose State with. When he saw me his face showed his surprise just as I recognized it was Douglas Murray, twice Phelan Playwriting winner, honor student, S. J. S. grad and friend. I had heard that Doug was in Europe, but had not the faintest idea that he might be in Frankfurt, Germany. That we should meet here in a streetcar during rush hours, in Frankfurt so many miles from home is indeed remarkable and only goes to prove, "It is a small world".

VIRGINIA GRATTAN

Campbell Trio In Light Opera "Merry Widow"

Joy Ferguson and Del Hollenberg of Campbell will sing in the chorus in San Jose Light Opera forthcoming production of the "Merry Widow" in University of Santa Clara theater, the evenings of November 25 and 26.

Leilani Johnson, also of Campbell, is a member of the corps de ballet.

Miss Ferguson, whose home is at 940 Lovell Avenue, was a drama minor at Kirksville College, Kirksville, Missouri. She received her degree in music from that college, where she took part in three operatic productions, also appearing in several plays. A newcomer to Campbell, this will be her first appearance with the San Jose Light Opera.

Del Hollenberg, popular young assistant pastor at the Campbell Congregational Church, recently joined the San Jose Light Opera Company, and this will be his first appearance. Del, who is a tenor, has taken part in other musical productions. He played the male lead in "Down in The Valley" by Kurt Weill at the University of Redlands in 1949.

Campbell Senior Represents Scouts

Julia Hoagland, of Campbell's Troop No. 90, was one of six Santa Clara County Representatives at the National Girl Scout Convention in San Francisco. She represented the Campbell-Los Gatos Senior Scout District.

During the four day period she attended nine sessions and heard many fine speeches including one by Lady Baden-Powell, Chief Guide of the World

Everywhere in the city, Girl Scout green could be seen as the 6,000 leaders rushed from hotels to the Civic Auditorium. making friends with national and inter national Scouts.

Post of Sixteen

One of the pieces of ornamental glamour being made by the Blossom Valley Garden Club is the "Kissing Bells" as shown in the picture above being held over the head of Mrs. Fred Starbuck of Campbell, the club president, by Mrs. Malcolm Blue, right, the general chairman and, left, Mrs. M. C. Knopf, the co-chairman. It is a part of the Christmas show by the Blossom Valley Garden Club to be given Tuesday, December 6 at Cambrian Youth Cen-

Lions Club Will Greet Governor

The Campbell Lions Club will be host to District Governor Dr. "J" Earl George of San Jose, at its regular meeting to be held November 22, at Country Womans Club, Campbell.

Governor George has been a Lion since 1934 and has held many offices within his home club at San Jose, and also many District offices, before being elected to the Governorship of District 4-B2.

District 4-B2, of which the Campbell club is a unit, is composed of 60 clubs within San Francisco, San Mateo, Santa Clara, Santa Cruz, Monterey and San Benito Counties. The members of Lions International completed 166,616 seperate services during the year 1954-55.

The Campbell Lions Club has completed the following service projects during the past year:

1. Light Bulb Sales for aid to blind.
2. Christmas Baskets for needy.
3. Eyeglasses for needy children of Local Schools.
4. White Cane sales for Recreation Center for Blind of Santa Clara County.

Memorial Gift For Campbell Cub Pack No. 9

In memory of Richard Countryman, son of Mrs. Douglas Scott of the San Jose-Los Gatos Road in Campbell, a gift was made to Cub Pack No. 9 which is sponsored by the First Congregational Church. The money was given in lieu of flowers at the time of Sgt. Countryman's death on September third in an automobile accident.

Gus Gladden, leader of the Pack said yesterday that the money will be used toward the purchase of an American flag. He said it is commendable that the life of this young marine be memoralized in in the lives of these boys.

Flower seed production is a major industry in California, supplying much of the flower seed of the world.

CAMPBELL REGISTER

Mr. and Mrs. Ronald Coleman of 756 East Campbell Avenue had recent visitors when Mrs. Coleman's parents, Mr. and Mrs. Frank Tesendore of Fresno, at the time little Michael Coleman, age 2, recently underwent surgery on his eye. Michael is now recovering nicely after his operation. His brother, David, age 4½, has returned to Fresno with his grandparents for a short visit.

Mrs. Charles Mitchell of Mozart Avenue is in Sequoia Hospital, Redwood City, recuperating after surgery, and is reported to be doing nicely.

Mr. and Mrs. LBen Howard and daughters Sandra and Heather of 18 North Milton Avenue, after attending the State Convention of Jobs Daughters at Sacramento last Friday and Saturday, went on to Arbuckle, where they spent last Sunday with their daughter and son-in-law, Mr. and Mrs. George Sweet (the former Joline Howard).

Kathy Riordan, daughter of Mr. and Mrs. Gene Riordan of 17950 Bucknall Road, will celebrate her seventh birthday Saturday with a luncheon and theater party. Guests for the event will be: Linda Skinner, Kathleen and Barbara Kelley, Gail Hashigami, Cindy McCormack, Jan Lopez, Jill Silacci, Mary Mathews, Joan Nettesheim, Mary Lou Johnson, Toni Mortaro and Timothy Riordan.

Thanksgiving visitors of Mr. and Mrs. Ralph A. Flanders of 794 North Central Avenue, are Mrs. Flanders' son, Edward Daly and wife and daughter, 2, from Pittsfield, Massachusetts. The Dalys expect to fly back east December 1.

Mr. and Mrs. C. W. Flaxbeard and daughters, Carolyn, Maxine and Jerry of 142 North Milton Avenue, are driving to Oregon over Thanksgiving weekend.

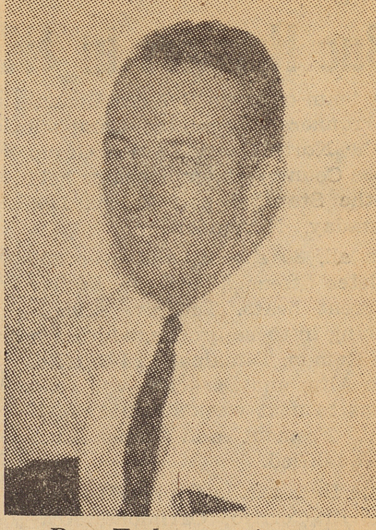
Mrs. Winthrop C. Beardsley of 917 Cameo Drive, was honored guest at a recent stork shower in the home of Mrs. Neil O. Anderson, 916 Cameo Drive. Other guests present were Mr. Eugen Andres, Mr. and Mrs. Ted Williams, Mr. and Mrs. J. S. Tormey of Los Altos, Mrs. Engels, Mrs. E. R. Morse and Mr. and Mrs. C. T. Cassiday.

Mr. and Mrs. Henry Langavin of 60 East Latimer, had a recent guest from Vancouver, Canada, when Miss Helen Stacey, niece of Mrs. Langevin paid them a vist. Miss Stacey, who is employed with United Airlines in Vancouver, is visiting friends in Los Angeles, Las Vegas, and other California points before returning to Vancouver.

Reverend B. H. Moore of Oklahoma will preach a series of Revival Services at Calvary Temple, 12779 Lantana Drive, Saratoga, beginning Sunday evening.

Campbell Past Noble Grands will meet in the home of Mrs. Joe Dahl of 13730 Beaumont Avenue, Saratoga, next Tuesday evening. Mrs. Fred Carlson will be co-hostess for the occasion.

The glass industry of the Pacific Coast is devoted almost entirely to the manufacture of glass containers.



Dave Farley, secretary-manager of the Campbell Stamp Association, who said that $100 in certificate awards will be made at seven o'clock tomorrow evening from names appearing on tickets deposited with the Association Member stores.

Newcomers

INDUSTRIAL LAND SOLD

About 61 acres of industrial land in Northern San Jose between the Eastshore and the Bayshore freeway to Albert Gurries. Area was recently annexed to San Jose as part of the city's northern industrial park.

Purchase of Industrial Land. Leo Schulman, Victor Bruni and Dr. Sam A. Miller have purchased 29 acres of industrial land adjacent to Keystone Bros. plant in Santa Clara on Richard Avenue. Purchasers advise they plan to subdivide the acreage into parcels for industrial companies needing new plant sites.

Buc Harriers In NCS Group Meet

A team of seven Buc cross country runners represented Campbell in the North Coast Section Group Cross Country Championships held at the Stanford golf greens last Thursday, November 10.

In all, 30 schools and over 200 athletes attended and ran in five different heats. The five schools winning in these groups, which are San Ramon, Tamalpais, El Cerrito, Palo Alto, and Berkeley, will send teams to next week's finals. Carlmont, Fremont and James Lick also qualified.

The Bucs ran in Group III along with El Cerrito, Carlmont, Acalanes, Vallejo and Santa Clara. Running for Campbell were Greg Hoffman, 11:09, (for 1.9 mile) Conrad Kersey, 11:43, Ron Reeder, 11:52, Gary Foote, 11:59, Marv Castle, 12:13, Tom Goulding, 12:20, and Dick Tuttle, 12:57. Hoffman made the outstanding Buc effort of the day by coming in 7th in the heat out of approximately 40 participants. Charles Belcher of undefeated El Cerrito took first place and surprised teammate Herb Cloe and Tom Jent of Carlmont, both of whom had been previously unbeaten. His time was 10:21 which was, incidentally, the best time posted during the entire day. Jent was only one second behind, so the Bucs certainly experienced rough competition. El Cerrito barely nosed out Carlmona in this race for group honors by one point. The Campbell harriers captured fourth ranking.

Bucs Upset JAMES LICK

An inspired Campbell High Buccaneer Eleven surprised James Lick as they trounced the Comets, 25-6, in a Veteran's Day contest on the losers' field last Friday. The Bucs, bouncing back from the defeat by Fremont, played their best game of the year.

The powerful and consistent ground game of the Bucs, was rolling in high gear. Several long drives of 80, 74 and 87 yards were mounted as a result of the power of the rushing offense. In these three drives only eight yards were gained by passing. Russ Cahill and Bud Scribner were the standout runners for the Bucs. Cahill carried 22 times for a total of 136 yards and a 6.2 average. His longest run was a 19 yarder. Scribner had a great average of 7.4 yards per carry, as he rolled up 89 yards in 12 carries. His longes gain was 24 yards. Campbell rolled for a total of 300 yards on the ground.

Praise also should be given to the Buccaneer defense which was never sharper. The Campbell line had the unenviable task of trying to contain the two great James Lick halfbacks, Larry Helmhout and Larry Fisher. James Lick gained a total of but 65 yards on the ground. Compare this to the last Comet game in which there were three James Lick runs of 88, 89 and 90 yards. The longest run last Friday by the Comets was a 16 yarder by quarterback Chon Gallegos.

Glen Cureton, who was a tiger on defense, led the Buc defensive backs in throttling the passing attack of the opposition. Gallegos and substitute quarterback, Kim Mune, flooded the air with a total of 19 passes. Only four of these were completed for a total yardage gained through the air of 75 yards. As many, four to be exact, were intercepted by Campbell backs, two by Cureton.

These intercepted passes were another big reason for the Campbell victory. One went for a touchdown, while two were picked off within the Campbell 10 yard stripe, thus preventing James Lick scores.

The first Buc score came early in the ball game. Campbell took over on her 20 yard stripe and marched 80 yards in 12 plays for the score. Russ Cahill drove the final 10 yards for the six points. The conversion attempt by Jim Corbus was wide of the goal post, so the score remained 6-0.

Then, three plays later after the ensuing kick-off, Campbell took over on her own 26. From this point the Bucs methodically ground out another six pointer, going the 75 yards in 15 plays. Bud Scribner carried the final five yards. Earlier in the thrust, the Buccaneers executed a double handoff from Jerry Sutton to Cahill to Scribner which accounted for a key 24 yards after a 15 yard penalty had just been marched off against the Bucs. Again the conversion was missed. The half ended with the score 12-0.

The Comets came back strongly in the third quarter. The Bucs lost the ball on their 41 yard line on downs. Helmhout carried to the 30 for a first down and then was hit by Gallegos for a 27 yard aerial down to the three. Leland Belli carried over for Lick's only T. D. to make the score 12-6. The conversion was missed.

Yet, the Bucs were still in hot water. After receiving the kickoff, on the first play from scrimmage, Scribner fumbled, and the Comets, behind by only one tuochdown, were again in possession on the 40 of the Bucs. They drove down to the 10 yard line, and here the turning point of the game came. Glen Cureton stopped the drive by picking off a Comet pass and bringing it out to the eight yard line. Later the Bucs punted out to their 30. Here a second key interception came, as Bob Ulloa stole a long Gallegos pass to the 10 and carried to the 13.

Tired of having their backs to the wall, the Bucs launched their third scoring drive at this point. A time consuming 18 running plays were necessary to cover 87 yards. Tony LoBue sneaked the last cople of yards for the touchdown. Corbus made the point after touchdown good, and the score became 19-6.

The scoring was completed, as, after the Comets gained possession, Kim Mune drifted back within his own ten yard line to pass. He was converged upon by a horde of Bucs, and, as he was being pulled down, he flipped an underhand pass which Cureton grabbed, while in flight, running it into the end zone. The conversion was again missed, leaving the final score, 25-6.

Buc Cagers Dump Los Gatos

CEES WIN EIGHTH STRAIGHT

The Campbell High Cee and Dee lightweight basketball squads emerged victorious in action with the dangerous Los Gatos Cats, Wednesday, November 9. The two games were played on the losers' floor.

In the opening encounter, which was a league game, the Buc Dees came up with a 37-26 triumph over the Cats. The 110's, as the Dees are sometimes called, now possess a league record of five wins and two losses. Fred Tashiro, Buc righ forward, was high point man with fourteen points.

The Buc Cees stretched their winning streak to eight, as they rolled up their highest point total of the year in defeating the rival Cats by 54-37. The 120's are still undefeated in league play, while they are credited with seven wins.

The big difference between the two teams in the Cee game was a 22 point Buc third quarter. Ted Kanamoto and Eldon Jones led the Bucs with point totals of 14 and 12,

BUC TITLE Hopes Are Mounting

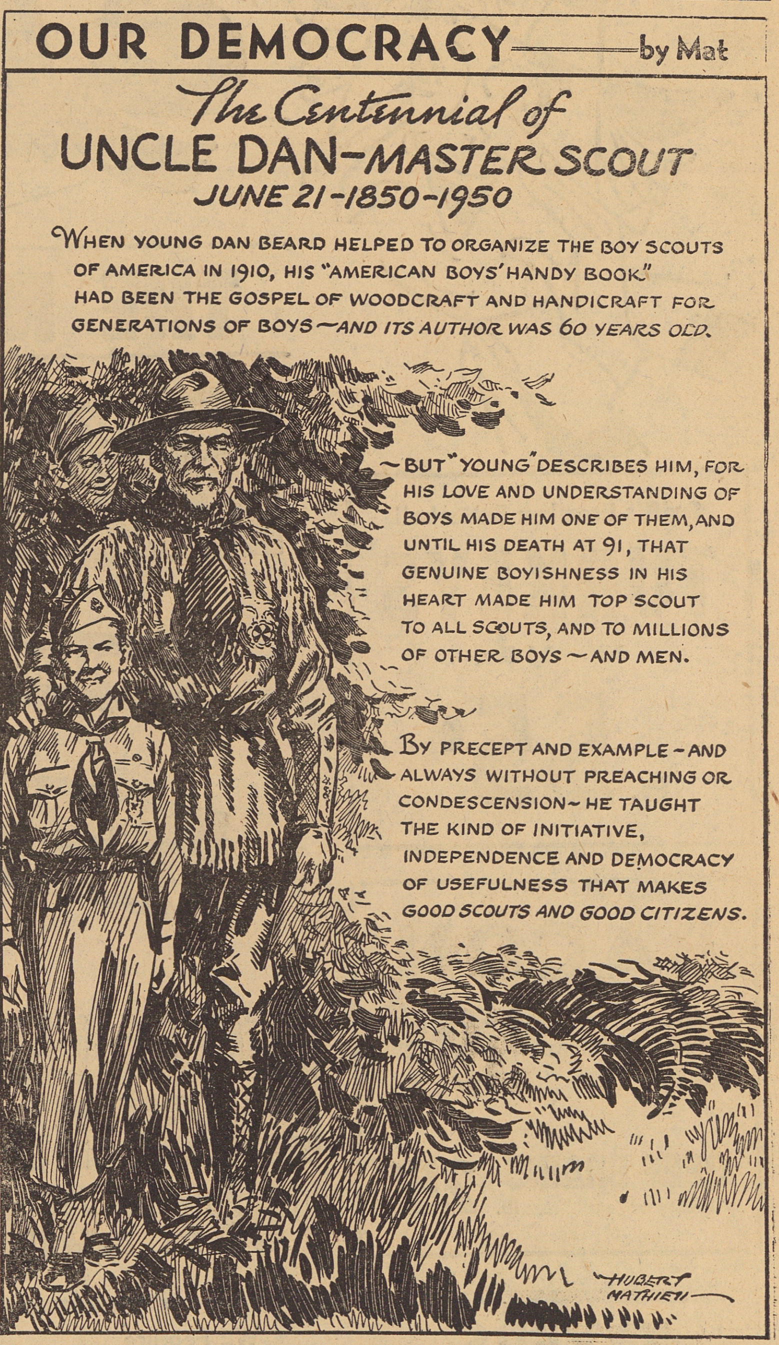
The Campbell High Buccaneers jumped a big hurdle in James Lick, to keep their title chances very much alive. This Friday will be the day that the SCVAL race should become more clearly resolved, for the top four teams will be battling one another. Here are the standings of the teams.

	W	L	PS	Pts.
Fremont	5	0	110	10
James Lick	4	1	91	8
Campbell	3	1	75	6
Santa Clara	3	2	50	6
Los Gatos	1	3	22	2
Mountain View	1	4	46	2
Washington	0	6	22	0

From the Buc view point, much depends upon Fridays Fremont-James Lick game. Even if Campbell wins her last two games, Fremont must lose this game, her last, to James Lick to enable the Bucs to share the title in a three way tie.

Since the Bucs have now played both Fremont and James Lick, losing to the Indians, 6-13, and walloping the Comets, 25-6, they are in a position to judge the comparatice strength of the two teams. After last Friday's game, the Buc players feel that the upcoming Lick-Fremont game will certainly be close. Many give the Indians an edge because of a better line and deceptive patterns. On the other side of the ledger, Buc mentor Jim Muir feels that the difference in the score of the two games was due to a difference in performance on the part of the Bucs and that James Lick was the better of the two teams. The game will oppost a strong line and the running of Phil Cordero against the running of Larry Helmhout and Larry Fisher and the passing of Chon Gallegos.

The Buccaneers tomorrow will play a dangerous Santa Clara team. One of the main threats of the Panthers will be the running of their sophomore fullback, Bob Lister. The game will be played here at Campbell. Starting time will be 3:00 p. m.



OUR DEMOCRACY——by Mat
The Centennial of
UNCLE DAN–MASTER SCOUT
JUNE 21-1850-1950
WHEN YOUNG DAN BEARD HELPED TO ORGANIZE THE BOY SCOUTS OF AMERICA IN 1910, HIS "AMERICAN BOYS' HANDY BOOK" HAD BEEN THE GOSPEL OF WOODCRAFT AND HANDICRAFT FOR GENERATIONS OF BOYS—AND ITS AUTHOR WAS 60 YEARS OLD.
~BUT "YOUNG" DESCRIBES HIM, FOR HIS LOVE AND UNDERSTANDING OF BOYS MADE HIM ONE OF THEM, AND UNTIL HIS DEATH AT 91, THAT GENUINE BOYISHNESS IN HIS HEART MADE HIM TOP SCOUT TO ALL SCOUTS, AND TO MILLIONS OF OTHER BOYS ~ AND MEN.
BY PRECEPT AND EXAMPLE – AND ALWAYS WITHOUT PREACHING OR CONDESCENSION ~ HE TAUGHT THE KIND OF INITIATIVE, INDEPENDENCE AND DEMOCRACY OF USEFULNESS THAT MAKES GOOD SCOUTS AND GOOD CITIZENS.

LEGAL NOTICE

NOTICE OF SALE FOR DELINQUENT USE FUEL TAXES

Notice is hereby given that under and by virtue of the authority vested in it by the Use Fuel Tax Law (see, in particular, Section 9011 and following of the Revenue and Taxation Code), the State Board of Equalization will, in accordance with said law and this notice, sell the following described motor vehicle at public auction to the highest bidder for cash in lawful money of the United States on November 17, 1955, at or about 10:00 A. M., at Specialty Truck Parts, 1700 So. First Street, San Jose, California, unless prior to that date the sum of $880.53, as itemized below, is paid to the State Board of Equalization in satisfaction of the liability hereinafter mentioned:

Mack Flatbed, diesel engine number 49070 (replaced by diesel engine number 46349)

Said motor vehicle is subject to the lien of the tax imposed by said Use Fuel Tax Law, and was seized by the State Board of Equalization in order to obtain payment of delinquent taxes, interest and penalties imposed by said law on Gladstone Reed, Jr., a user of fuel within the meaning of Section 8608 of the Revenue and Taxation Code. The delinquent taxes, interest and penalties are as follows:

Taxes for the period 10-1-54 to 2-6-55	$682.60
Interest from 11-25-54 to 11-25-55	$ 39.17
Penalties for failure to pay tax	$ 68.26
Total taxes, interest and penalties	$790.03

Various costs have also been and will be incurred on account of the aforementioned seizure and proposed sale, these being:

Towing	$ 12.50
Storage	$ 38.00
Publication of Notice	$ 25.00
Other expense	$ 15.00
Total expenses	$ 90.50

The aforesaid motor vehicle is now stored at 1700 So. First Street, San Jose, California, subject to the order of the State Board of Equalization.

The right is hereby reserved to reject any bid at the aforementioned time and place which does not appear proper or advantageous to the State.

MAIN STREET REVIEWED

Hitch Up Ol' Dobbin, Pa For The Old Time Bazaar

Main Street comes to Campbell tomorrow as the Congregational Church stages a bazaar featuring the togs of yesteryear and an atmosphere reminiscent of days at the turn of the century is set up.

Ye Antique Shoppe is to display interesting articles and a picture gallery. A country store will carry general merchandise, including a delicatessen department and the familiar cracker barrel. A candy shop will feature home made candies and there may even be ice cream turned in one of the old time freezers surrounded by ice cubes with rock salt.

A post-office will have C. O. D. packages from all parts of U. S. A., and a fortune will give special attention to children as well as to adults. In the book store will be an excellent supply of children's religious books, while an art shop will show hand painted china, and a bake shop will have the yummies like grandma used to make. There are to be several variety stores and specialty shops. Lunch will be served in Main Street cafe at 11:30, afternoon tea later on, and with dinner served from 5 to 7, music from an old organ to be played during these hours.

A merry-go-round is being set up outdoors for the children while inside there will be games and the fish pond.

Mrs. Hugh Whistler, chairman, says Main Street is for the whole family as a place to eat, shop and frolic.

LEGAL NOTICE

NOTICE TO CONTRACTORS

The Board of Trustees of the Cambrian School District of Santa Clara County, State of California, invites and will receive sealed proposals until 8:00 P. M., Dec 8, 1955, at the office of said Board at the Cambrian School, Casey Road and San Jose-Los Gatos Highway, Campbell, Santa Clara County, California, at which time and place said bids will be opened and read in public, for the furnishing of all labor and materials for the erection and construction of the following:

Additions to Steindorf School, consisting of Kindergarten and Administration, Ross & Foxworthy Aves., near Campbell, Santa Clara County, California.

The Board reserves the right to accept or reject any or all proposals. The award, if any, will be determined on the Base Bid as modified by any alternates the Board may decide to accept or reject.

All bids shall be in accordance with the plans and specifications for said work prepared by Evans & Lincoln, John M. Evans, Architect, at 2181 Moorpark Avenue, San Jose, California. Plans and specifications may be obtained from the office of the Architect upon the deposit of $25.00 per set. Additional sets may be obtained at $15.00 per set, which sum is non-returnable.

All bids must be made on the form furnished by the Architect and must be accompanied by a bid bond, a certified check, or a cashier's check for an amount not less than 10% of amount of said bid. Checks or bonds shall be made payable to the Cambrian School District bonds as required by the specifications and/or fail to enter into a contract with the School District.

No bidder shall withdraw his bid within a period of thirty (30 days after date of opening.

Workmen employed on said work shall be paid not less than the following prevailing scale of wages:

Classification	Hourly Rate
Carpenters	$2.90
Laborers	2.17½
Cement Finishers	2.74½
Plasterers	3.43
Hod Carriers	2.90
Plumbers	3.25
Electricians	3.35
Painters (7 Hrs.)	2.92
Tile Setters	3.10
Roofers	2.75
Glaziers	2.55

and in accordance with the rates fixed by the schedule adopted May 15, 1955, by the Board of Supervisors of Santa Clara County and which schedule is hereby adopted as the general prevailing rate of per diem wages in the locality in which the said public work is to be performed for each type or craft of workmen needed to execute the contract, and said schedule of wages is hereby specially referred to and incorporated herein and made a part thereof as though the same were set out in full, including the specifications therein of per diem wages for legal holidays and overtime work in said locality; and the contractor to whom the contract is awarded and any subcontractor under him shall pay not less than the specified prevailing rate of wages as therein specified to all workmen employed in the execution of said contract.

Said schedule of per diem wages is based on a working day of eight hours unless otherwise provided therein, and the wage prescribed therein is the per diem rate divided by the number of hours constituting the working day.

All skilled and other labor not listed above that may be employed is to be paid not less than the union wage scale for such labor.

Contractors who propose to have subcontractors perform work or labor or render service to them in or about the work shall designate in their bid the names and location of the places of business of each subcontractor who will perform such work, labor or render services in excess of one-half of one percent of the contractor's bid.

No bid shall be accepted from a contractor who has not been licensed in accordance with the provisions of the Contractor's License Act of the State of California.

BY ORDER of the Board of Trustees of the Cambrian School **District.**

DATED: November 10, 1955.
NORMAN B. HOUGE
Chairman of Said Board

Mrs. Morgan To Be Speaker At Woman Club Meet

"Youth—its problems and what is being done for juvenile protection" will be Mrs. Wyland R. Morgan's topic at the Campbell Country Woman's Club meeting next Monday which starts at 2:00 p. m. Mrs. Morgan will also report on the Northern California Governor's conference of the California Youth Authority recently held in Watsonville.

Mrs. Morgan has maintained an active interest in the problems of youth in the past several years, and in addition to her experience in the teaching profession, is past president of the Campbell High School P. T. A., chairman of the Juvenile Protection Committee, district officer of the 6th District P. T. A. and just recently attended the conference on education at Sacramento called by Governor Knight.

Misses Donna and Dianne Fammatre will present musical selection on the cello and violin, accompanied by Miss Carol Bridges.

Committee members for the program include: Mesdames Evelyn Arends, J. B. Arends, Sr., W. H. Scott, Milton Robertson, Harold Todd, C. Grizzle and M. E. Carlson.

NICKEL IMPROVES CORROSION RESISTANCE

The resistance of steel to atmospheric corrosion is improved by the addition of alloying elements such as nickel and copper. There is progressive improvement with increasing nickel content, and high nickel steels, such as the stainless steels, are highly corrosion-resistant.

Camden Parents Back In School

Back to School night for parents of Camden High School students was featured last night at the high school, attended by several hundred people. Topic of the evening, "How Our Teen-agers Work" enabled parents to follow the program of students, including physical education, which parents were invited to participate in.

There was an informal get-together and refreshments after the 7th period in the school cafetorium.

Mrs. Alfred Weltz, PTA president, presided. The entire faculty was on hand to explain current studies of each class and the planned work for the year.

Stork Shower For Mrs. Isaac Awong

Mrs. Isaac Awong of 380 North Milton Avenue was honored at a stork shower at the home of Mrs. Paul Miranda, 13057 Wool Avenue, San Jose, last Saturday evening.

Friends attending were: Mesdames Stan Miller, Michael Mora, Arthur P. Jacobus, Ray MacVea, and I. J. Johnson of Campbell, also Mesdames Ben Campbell, Tom Vincent, John Anthony, Manuel Nunes, Carl Carney, LaVerne Cypriano and Connie Loproto of San Jose, and Mrs. Eleanor Peres of Oakland.

CAMDEN HIGH DROPS GAME TO LIVE OAK

The Camden High school football team, made up of freshmen and sophomore students, lost a 25-0 game Thursday to the Live Oak Varsity team of Gilroy while Washington was losing to Mountain View.

Thanksgiving To Be Sermon Theme

Dr. Corwin Olds will use the Thanksgiving theme for his sermon at the 9:30 A. M. service next Sunday.

Friends and church members gathered last Sunday evening for the annual Loyalty Sunday pot luck dinner, at which time several reports were given relative to the building of the new Congregational church at Carlyn and West Campbell avenue. Mrs. Dorothy Royce is chairman of the building committee.

The cable car, symbol of San Francisco, was invented there in 1873.

OLD TOYS WANTED BY SALVATION ARMY

Toys that can be repaired and placed within reach of low income families for Christmas giving will be among the used items The Salvation Army will be seeking in free pick up service in Campbell on November 22nd and 26th.

By calling CYpress 4-6316, or writing a card or letter to the center at 575 South Market Street, in San Jose, those with used and discarded materials of any kind can arrange for the pick up service, according to Major Kenneth Ayres.

He pointed out that homeless and handicapped men in The Salvation Army's rehabilitation center in San Jose make the repairs to the discards as a part of the work therapy program.

The repaired articles are made available at modest prices to low income families through Salvation Army stores.

ELKS TO MEET IN SAN JOSE IN 1956

California Elks Association is holding its annual convention late next summer at San Jose. It is expected that around 8000 Elks will be here. Charles Parbury, exalted ruler of San Jose Lodge brought this information back from San Diego where the 1955 convention was held.

INK STAINS

By HELEN McLEOD

FIFTEEN WOMEN HAVE BEEN functioning in a sewing group in Quito for the past several months, and never a line about them in Press— it's been a deep secret. Last month, the women boarded busses for San Francisco, shopped and window shopped, saw "Bus Stop", ate a Chinese dinner, came home on the train. The group meets twice a month at a different member's home, there are no officers, and twenty five cents is collected from each person toward expenses. And they do sew. They are working currently on clothing and baskets for the needy which they intend to distribute around Christmas.

THE PARENTS of Lu Schobohm are now living in Campbell. Mr. and Mrs. Clyde Stevens have moved out of Santa Cruz and are settled in their home on Fewtrell Avenue.

TWO SKATING PARTIES have been held by the Pioneer Group of Westhope United Presbyterian Church. These seventh and eighth grade young people were transported to the Roller Rink by Tom Williams and Evelyn Prinz. Mr. and Mrs. Lou Schlobohm and Mrs. Phil Drew stayed and skated with the group. Joan Schlobohm and Phil Drew, Jr.,—second graders both— made a delightful pair as they waltzed and skated together.

IT'S A NEW BOY FOR the Patrick Creegan's of 18661 Paseo Lado. Jerome Patrick joined the family October 25th, and found he had a three year old brother, Daniel, and a two year old sister, Katie.

ON ONE OF THE SUMMERY DAYS this week a combination party was held for Danny Miller and Debby Testa—both five, both Paseo Cerro residents. Most of the guests were from the kindergarten classes of the two children. They were Christy Drew, Jo Ellen and Sharon Jone, Kathy Barco, Donny, Russel and Susie Schaffer, Jackie Alessi, Candy Lomerford, Robin and Sandy Smith, Carolyn Lowe, Susie and David Testa. This party was held at the home of Danny's parents—Mr. and Mrs. J. R. Miller.

Class Open House At UC Homecoming

BERKELEY. — A "Classroom Open House", initiated for the first time this year, will be among the highlights of alumni activities during the University of California's 1955 Homecoming events taking place all this week, November 14-18, on the Berkeley campus.

Festivities will culminate with the Stanford Big Game at 2 p. m. Saturday, November 19, in Palo Alto.

Members of the 1955 Homecoming committee have invited all alumni to visit the classes of their former professors throughout Friday morning. Chancellor Clark Kerr has distributed a letter to all faculty and staff members at Berkeley requesting their co-operation in this special Homecoming event.

Other Homecoming activities of particular interest to alumni include a "University Night" student program, 8:15 p. m., Monday, November 14, at the Alumni House; Fraternity and Sorority Open House, afternoon and evening, Wednesday, November 16, and individual alumni reunions on Friday evening, November 18, at different San Francisco hotels and restaurants.

STUDENT NURSES TO— PUT ON VAUDEVILLE

Students of San Jose Hospital school of nursing will put on a 15-act variety show tomorrow night in the auditorium of the Jay C. Elder residence 15th and East Santa Clara street, proceeds from which will help finance student body activities.

Numbers include a Japanese dance by Janet Fujinari of Palo Alto, hula dance by Carole Saccullo of Gilroy and a mock opera. Sheila Branefield is to be mistress of ceremonies.

Reception For Faculty Wives This Evening

The Campbell Union High School District Faculty Wives Club is holding their annual reception in the Campbell Country Woman's Club this evening and has invited faculty women of the district to attend and become better acquainted with faculty men and their wives.

Mrs. Charles Stephens, club preident, is chairman for the affair, assisted by Mrs. Eugene Hines, invitations; Mrs. Frank Meiss, decorations; Mrs. J. D. Russell, entertainment, and Mrs. Robert Culp, refreshments.

Hostesses for the occasion will be the club officers, who are, besides Mrs. Stephens: Mrs. Phil Maxfield, vice president; Mrs. William Allman, secretary; Mrs. Claude Cunningham, treasurer, and Mrs. William Priddy, sunshine chairman.

The Faculty Wives Club is an active group, meeting once a month in homes of members. One of the projects of the club is presentation of two scholarships to two high school girls each year. Last year two scholarships were presented to girls planning to go into the teaching field.

Buccettes

The Buccettes met on November 7 in room 11 to elect new officers. Those elected were as follows: Carolyn Ferreira, president; Sherry Story, vice president; Carolyn Lindstrom, secretary-treasurer; Emma Martinez, reporter.

New members of the Buccettes are Adina Bergen, JoAnn Long, Sue Dugan, Mary Lowe. The next meeting will be held on December 8.

EXPECT LOTS OF SNOW IN MOUNTAINS

Snow, and plenty of it, in the high Sierra this winter, for winter sports and water supplies, is foreseen by the Sierra Club's crystal snowball gazer, Weldon F. Heald of Tucson, Ariz.

Heald, who has had a remarkable record of accurate snowfall forecasts in recent years, has informed the Club that his studies indicate a total snowfall of from 420 to 425 inches at Soda Springs near Donner Summit, this winter, with proportionate snowfall elsewhere up and down the range.

Heald believes there is a fair chance that Soda Springs may have a 450-inch maximum. For good measure, he adds that eastern Nevada, Utah and perhaps northeran Arizona may be due for some "real old fashioned snows; maybe the boys better start warming up the supply helicopters".

Polio Clinics On At San Jose

The Santa Clara County Health Department is holding polio Vaccination clinics for children six months through 14 years of age and residing outside the city limits of San Jose from now through February on Mondays through Fridays in the afternoons. The clinic will be at the Santa Clara Health Department, 2220 Moorpark Avenue. Written permission for vaccinations must be given and all children must be accompanied by parent or guardian. Expectant mothers, also eligible for the vaccination, must present at the clinic the written permission of their private physician, according to Dr. Elwyn Turner, public health director.

Paving Contract For Camden High Sihool Awarded

Laurance Hill, Campbell Union High School District superintendent, has reported that the bid for work on sidewalks, curbs and gutters for the new Camden High School has been let to James Griffiths Company of San Jose. The work is scheduled for completion by January first.

Hill also reported that Bob-Built Roadways was low bidder for paving parking areas, driveways, tennis courts and fences, for Camden High School.

Trained Acts in Show

Cambrian Frolics Saturday Night

The Cambrian Men's Club of the Cambrian School District is ready to present its annual Fall Show at the Campbell High School Auditorium Saturday evening, November 19 with curtain time at 8:00 P. M. Proceeds from the affair will be directed towards the extended youth program for the children of the community. Tickets may be secured at the door.

An international potpourri of stars will headline "The Cambrian Frolics of 1955". This year, Henry Banderob, well known producer of variety extravaganzas, has put together what is believed to be the most outstanding production to appear here. Among the artists will be native dancers from Hawaii, a Spanish group, Japanese entertainers, Chinese mystery workers, acrobats, musicians, and comedians. Homer F. Snow will appear with his trained seals and pelicans. For local interest, the services of an accordion club have been secured. These children attend schools in the Campbell-Cambrian area.

Camden Cougers With Sunnyvale On Jets Friday

Camden Cougars will play the Sunnyvale Jets in the last game of a double round-robin series for the championship in their league tomorrow at 3:15 p. m. on the Camden gridiron.

Camden Cougars are assured the championship in the series even though they lose the game, as they are the only team with no losses to date.

The league is composed of three new schools in established schools having only freshmen and sophomores. Other schools are Los Altos, in the Mountain View school district and Sunnyvale in the Fremont school district. Their schedule this season was a series of six games in a double round-robin, each school playing a home game and a game at the other school.

Scores to date are: Sunnyvale lost two games to Los Altos Knights and tied one with Camden; Los Altos beat Sunnyvale twice and lost to Camden twice; Camden beat Los Altos twice and tied Sunnyvale once.

Moreland Group Has Gay Frolic

The Moreland School District Citizens Advisory Committee dinner dance, held at Lou's Village last Saturday night, was reported to be a huge success when members of the committee met with prominent members of the state and county school administration for the main purpose of getting acquainted.

The theme for decorations, and spirit of the occasion was "M. A. C.'s (Moreland Advisory Committee) School for Incorrigibles", using sling shots, model airplanes, crayolas, erasers and chalk in the decorations with Frank Lavoi, principal of Moreland School, wearing a dunce cap.

The speakers table had as its centerpiece, a miniature school room, illuminated with indirect lighting, and behind the speakers table were hung humorous caricatures of faculty, P. T. A. and Board members.

Committee members were gratified with the success of the affair and expressed the belief that getting acquainted with different groups in the district will effect even greater cooperation and understanding within these groups.

Committee members paid tribute to Mrs. George Payne of Payne Avenue, long time leader and pioneer in the district, for her many services to the community.

Blossom Valley Club Will Stage Christmas Fete

Blossom Valley Garden Club meeting, presided over by Mrs. Fred Starbuck, at the Cambrian Youth Center on Tuesday made plans for their Christmas tea and sale using the theme, 'Holiday Glamour for your Home". The affair will be held at the Cambrian Youth Center and the public will be invited to attend the tea and sale of other Christmas decorations.

Following committee was appointed: Mrs. Malcolm Blue, chairman; Mrs. Maynard Knopf, co-chairman; Mrs. William Faria, wreaths; Mrs. Jack Mills, swags; Mrs. Earl Dodson, madonnas; Mrs. C. L. Hopf, corsages; Mrs. George Ninnis, candles; Mrs. Stephen Austolief, dry arrangements; Mrs. James Goble, publicity; Mrs. Claude Barham, table arrangements; Mrs. Zeno Hallett, potted plants; Mrs. Herbert Gilbert, clean-up; Mrs. Maynard Knopf, white elephants, ands Mrs. H. M. Wagner, background decorations.

PAPER PULP WILL LOCATE IN COUNTY

California Container Corporation, Martin Avenue and de la Cruz Blvd., has announced plans for construction of a $6,300,000 pulp paper mill to produce paper board on site next to company's folding carton plant. Mr. John G. Robinson, Vice President, in making the announcement did not elaborate on details for start of construction or number of jobs the new plant will create here, although this information is expected soon.

Campbell Library Is Served By The Red Feather Fund

iWith another progress report scheduled for today (Nov. 17), the Campbell Red Feather Campaign stood at $4,741, or 47.41 per cent of its $10,000 goal, at the previous report meeting last week.

A "Salute to Neighbors" was programmed for today's progress luncheon at Hotel De Anza, San Jose, and volunteer solicitors for the Campbell Community Chest drive were invited to attend.

Campbell Campaign Chairman George B. Kemp reported that contributions turned in by schools, business and residential divisions totalled $4,741 at last week's progress meeting.

Schools division, which has virtually completed its solicitation, reported $1758. Business division reported $1912, and residential division $1070 Additional contributions were expected today from both business and residential divisions.

Campbell is conducting its Red Feather Campaign for support of Community Chest agencies in cooperation with similar appeals in San Jose, Santa Clara, Cupertino, Milpitas and 20 rural centers in Central Santa Clara County.

The over-all campaign stood at $324,105 or 78.88 per cent of goal at the progress report last week.

Sharing in contributions will be 27 Red Feather Agencies which provide youth, health and welfare services for residents of Central Santa Clara County. Of these agencies, two—the Campbell Milk Fund and Campbell Library Fund—serve Campbell exclusively. Campbell residents also receive services from Boy Scouts, Girl Scouts, Camp Fire Girls, Family Service Association, Visiting Nurse Association, and other Red Feather agencies.

Moreland Cutting School Bus Stops

A sharp reduction in the number of bus stops to and from Moreland district schools has been ordered to meet increasing costs.

Supt. Mrs. Gussie Baker said the school board adopted a stop schedule prepared by Roy Kosich, head of the district's bus transportation.

The new plan calls for buses to make stops at an average of every half mile. Previously, buses halted almost every block, she said.

Under the new system, she said, a student will not have to walk more than a quarter mile to be picked up.

In other business, Mrs. Baker reported district enrollment has jumped to 1,182, a hike of 102 students since the term opened in September.

In the future, trustees decided classes at Moreland School will begin at 8:30 a. m. rather than 9 a. m.

The speeded-up bus schedule will deliver students earlier than in the past.

The board also discussed an exchange of territory, the area of which was not disclosed, between Moreland and Campbell Elementary School District. Negotiations are just beginning, Mrs. Baker said.

Regular meeting date of Nov. 23 has been canceled, she said, and moved up to Nov. 21 because of the Thanksgiving holiday.

NEW SCOUT CAMP

Work is under way in the site of a girl scout camp at Felton Etates near Los Gatos with Kenneth Robinson of Campbell working on the water system. As soon as the pipe lines and the water tanks are repaired and flushed out, the camp is to be made available for week-end camping and hiking jaunts according to the Council Camping Chairman, Mrs. Carlton Wood and Mrs. I. Caruso, the troop camp chairman.

Thanksgiving Day Services Planned

A special Thanksgiving service is announced by Campbell Christian Science Society for 11 A. M., on Thanksgiving Day, in Library Building at So. 1st and Campbell Ave.

Open to the public, the service will include voluntary testimonies of gratitude by Christian Scientists for God's goodness as shown in spiritual growth, physical healings, and other blessings.

A special Lesson-Sermon for the day entitled "Thanksgiving," will be read in all Christian Science churches. Consisting of selections from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the Lesson-Sermon will emphasize the importance of expressing gratitude to God in deeds as well as in speech.

The service is open to the general public and local church members have invited everyone to attend.

TOWN TOPICS from Bank of America
MEMBER FEDERAL DEPOSIT INSURANCE CORPORATION

Cambrian Park Branch
Roland Risso,
Manager

NEXT CHRISTMAS IS COMING TOO!

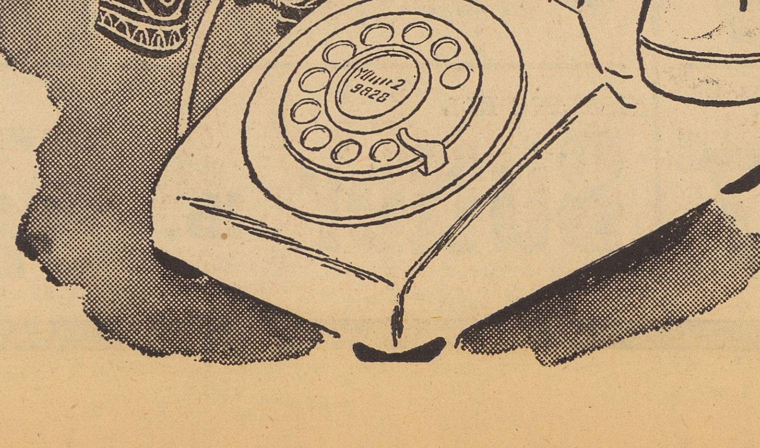
If you love Christmas, but hate the year-end crop of bills for gifts, taxes and other expenses, here's a fine way to put aside all worries. It's the 1956 Bank of America Christmas Club and people all over our town have discovered it's the made-to-order way to save for the expenses they'll have. All you do is figure the amount you'll need then save systematically, making deposits of $1, $5 or $10 weekly for 50 weeks. Next year your check for the full amount saved plus interest will come in mighty handy, and you'll have real peace of mind. It's the best way to save for Christmas, so why not join today?

GOT YOUR EYE ON A BUY?

Wonderful is certainly the word for the 1956 cars. Maybe one already has caught your eye—but lack of ready cash keeps you away. If so, take this hint from many of your neighbors and finance your buy through Bank of America *Timeplan*. Arrangements are easy and you can pay out of income in small monthly instalments. Over 2,000 California car dealers offer low-cost *Timeplan* financing or, if you prefer, come into our bank. *Timeplan* is a good idea if you'd rather stick with your old "bus," too. You can finance an overhaul, top-to-bottom reconditioning or repair—all you need to get your car in tip-top condition, all at one time.

? BofA *Quiz Corner* ?

DID YOU KNOW THAT if you live in the country or where it's inconvenient to come in to our bank, you can do all your banking through the mail? This applies to Bank of America's complete service. Just ask and we'll furnish you with addressed envelopes, deposit slips—everything you need to bank by mail.



Complete your color scheme with *Color* telephones

Haven't you pictured how attractive it would be to have extension phones to match the colors in your home. Well, now you can. They come in 8 lovely shades to complete the color scheme in any room. Red, blue, green, yellow . . . beige, brown, ivory or gray. Or in 4 "two-tone" combinations. And imagine the convenience of always having a phone within easy reach. Call our business office today. **Pacific Telephone.**

Take life easy... each extension phone costs less than a nickel a day

Campbell Man Is Fatally Injured In Belmont Plant

Cleatus L. Stanfill, 34, of 470 Crockett Avenue, Campbell, was killed last Wednesday in a Belmont airplane parts factory when a flying scrap of steel penetrated his chest.

Stanfill was on his second day as a hydraulic press trainee at the Schick Products, Inc. plant. The accident is reported to have occurred as he stood in front of the press when a piece of scrap steel flew from it.

A resident of this area about 10 years, Stanfill leaves his widow, Louise, and four small children. He was a Marine Corps veteran of World War II and before taking the Belmont job, had been employed at International Minerals and Chemicals Co. in San Jose and Monsanto Chemical Co. in Santa Clara.

Funeral services are pending at the Mission Chapel of Rancadore and Alameda.

New Brownie Troop Organized Here

Brownie Troop 403 began activities for the year when mothers of the troop met in the home of the new leader, Mrs. Robert Murray of 60 Hardy Avenue last Thursday evening organizing committees and planning activities for the year, with assistance of Mrs. Ida Cutler, troop organizer.

Members of the troop are: Claudia Clark, Suzanne Taylor, Cynthia Riley, Sandra Morton, Karen Untiedt, Donna Jensen, Stephanie Lobrovich, Mary Lee Olson, Patty Miller, Martha Sutter, Christine Duckett and Kathy Murray.

Committee members are as follows: Mrs. Burnard C. Clark, transportation; Mrs. Warren Untiedt, cookie calendar chairman; Mrs. Thomas Jensen, committee chairman; Mrs. George Miller, telephone chairman; Mrs. Claud Duckett, co-leader; Mrs. Gunnar Olson and Mrs. Alys Riley, assistant leaders.

Dads' Club Panel On Delinquency Problems Tonight

Moorpark Dads Club is sponsoring a public meeting in the school this evening to hear a panel discussion on juvenile delinquency, particularly on the westside of San Jose, and his invited prominent civic officials to take part in the discussion.

District Attorney N. J. Menard will base his talk on the prosecution side of law enforcement; Leon Green, juvenile officer for San Jose Police Department, will tell of his extensive experience in dealing with youthful law violators; R. Eugene Arnold, attendance officer for Santa Clara County School Department and Moorkpark School, and Beck Parsons, attendance officer for San Jose Unified School District, will discuss their views on the problem. Both Arnold and Parsons maintain close contact with police officials an dare aware of westside juvenile problems.

The club is inviting the public to attend, and will provide movies fro children in a nearby room.

Award Won By County In State Farm Bureau

Santa Clara County Farm Bureau collected three top honors and Stanislaus, Contra Costa, Yolo, Los Angeles and Imperial Counties each collected one as membership awards were announced at the closing session of the California Farm Bureau Federation's thirty-seventh annual convention in San Francisco.

The awards follow:

Farm Bureau Center having the largest membership in the state during 1955—Gilroy, Santa Clara County, 648 members (first); Northwest, Santa Clara, 601 (second); Westside, Santa Clara, 574 (third).

Gravel Firm To Erect Warehouse

Western Gravel Company was issued a permit for a $10,000 warehouse on Ralroad Avenue property this week by W. L. Morser, building inspector, who also issued a permit to John Quiring for a 4-unit apartment building on Kuehnis Drive costing $16,000.

This brings building valuations to $26,000 in November and $552,050 since October 1, when the building department first was established in Campbell.
